Hi All,

I'm running about 15 – 20 min. late today. If I'm not there by 8:15, can you put the attached presentations on a thumb drive and load them onto the Lake MI room computer?

The tribal accomplishments slideshow is too big to send over email so I'll send a separate email sharing it over my onedrive. It should already be on the L. MI laptop so just choose "copy and replace" if it prompts you. The other presentations are: Doug Cox's Back forty mine presentation, a picture of John Coleman for the TLH Award, and a "Welcome to R5TOC" Slide.
